REASONS FOR ALLOWANCE

Response to Amendment

1. Claim 98 was mistakenly listed as one of the rejected claims in the Office action of January 20, 2004. The rejection is hereby withdrawn, and claim 98 is allowed.
2. The following is an examiner's statement of reasons for allowance: None of the prior art of record, alone or in combination, discloses a method of stabilizing a spinous process relative to another spinous process, where the method includes introducing between the processes a device having a sealable cavity that is fillable with material and introducing a device with shape memory or a flexible implant and allowing it to self-conform or assume the shape of at least one of the spinous processes or an implanted shape and distract the processes, where the implanted shape is assumed at a threshold temperature or at a different temperature.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
